Our Mission

The mission of the West Morris Wolfpack Youth Ice Hockey Club is to provide a safe and positive environment in which hockey players of all ages can develop. Through disciplined practice and healthy competition, we not only aim to encourage the physical development and skill acquisition necessary for the game of hockey, but also the dedication to team, motivation for improvement, sportsmanship, and respect for others necessary to the game of life. We offer this program to all boys and girls who want to play, as a way to be healthy, be proud, and create winning relationships on and off the ice.

The goal of this golf outing is to raise enough funds to allow the club to provide special events for our players. Some of these items include:

- Paying registration fees and travel costs for an out of town "Sleep over" Tournament
- Specialized on-ice professional training for our players Extra Ice time
- Wolfpack warm-ups, practice jerseys, and other equipment needed to run our club
- 25% of the proceeds generated by this year's outing will be donated to the Holy Name Medical Center COVID-19 Relief Foundation and New Jersey Warriors. NJ Warriors is a Non-Profit Volunteer Organization dedicated to injured and disabled US Military Veterans competitively enjoying life on the ice after service.

Play by play:
